¹ No fees are charged to the client for no-load sales charge options (modes A and B) for either purchases or redemptions. However, fees are charged to the Agency and the advisor for mode B when redemptions are made during a certain period.

² The asset allocation is approximate and valid at the print date. It is subject to change, unless specified in the investment policies. Please consult the *Fund Facts* for details about fund allocation.

³ Annual management fees include management and marketing fees, and the management fees paid to the underlying funds. The management expense ratio (MER) is an estimation and includes management and administration fees as well as the taxes. This ratio may vary from one year to the next. Optional guarantee fees are added to the MER.

⁴ Fees for SSQ Equity GIAs purchased or renewed as of November 26, 2012.

⁵ The back-load and no-load – mode B sales charge options are not eligible for new purchases. However, these sales charge options are permitted for internal transfers within an existing contract.

N.B. Please refer to the MRA1064 document for these fund codes: SSQ Guaranteed Income, SSQ Private Wealth Management and for the guarantees not available for sale.
Please refer to the MRA1790 document for these fund codes: Group – IPP contracts.

For more information, please refer to the *Fund Facts* document available on **ssq.ca**.
